Tony nominee Liz Larsen, Noah Weisberg and Jenna Coker-Jones will appear in *F#@king Up Everything* at the New York Musical Theatre Festival this September.

The new musical features music and lyrics by David Eric Davis, with a book by Davis and Sam Forman. Stephen Brackett will direct the NYMF staging that runs Oct. 6-16 at the 45th Street Theater.

Larsen (*Hairspray*, *Most Happy Fella*), Weisberg (*South Pacific*, *Legally Blonde*) and Coker-Jones (*Evil Dead*, *Fame*) will be joined onstage by Heath Calvert (*Good Vibrations*), Kate Rockwell (*Legally Blonde*) and Leif Huckman.

Press notes for the musical read: "Can Christian Mohammed Schwartzelberg stay true to himself and still get the girl? Or will he lose her to the guy in leather pants? Set against the backdrop of Brooklyn's indie music scene complete with a gallery of hipsters, stoners, artists, cougars, songwriters and puppeteers, *F#@king Up Everything* is a rock musical comedy with heart. And ironic t-shirts."

Matt Hinkley provides orchestrations, arrangements and musical direction for the production; the design team includes Daniel Zimmerman (set design), Jessica Pabst (costume design) and Joel E. Silver (lighting design).

For tickets phone (212) 352-3101 or visit [NYMF](#). The 45th Street Theater is located at 354 W. 45th Street.
